RE: Dominion Energy South Carolina, Inc.
Notice of New Natural Gas Construction Project

Dear Ms. Boyd:

Dominion Energy South Carolina, Inc. ("DESC" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") and the South Carolina Office of Regulatory Staff ("ORS") of natural gas construction projects with costs of \$500,000 or more. See S.C. Code Ann. Reg. 103-412.2.7(A). In compliance with the regulation, this letter serves as notification to the Commission that DESC plans to install approximately 18,500 feet of 12-inch steel natural gas pipeline to support growth in Myrtle Beach, South Carolina. This project will increase the pipeline capacity in the Myrtle Beach area and will serve multiple residential and commercial customers in Horry County.

DESC anticipates that construction will begin later this month and that the total cost of this construction project will exceed \$500,000.

By copy of this letter, we are also notifying the South Carolina Office of Regulatory Staff of the Company's planned construction project.

If you have any questions, please do not hesitate to contact me.

Very truly yours,
